OTHER IMPORTANT INFORMATION

1. Important contact information and mailing addresses are provided in Attachments 1 and 2. Separate reports are required for each funding source (grant code) within a subgrant. Please do not use any font smaller than 10 on the hard copy reports.
2. On the 10E and 11 for the Title III Governor's 40 percent, Defense Diversification Projects, Defense Conversion Projects, and National Reserve Account Projects, **please**

report project to date (i.e., from the inception of the project to March 31, 1998)
participant information.

Also, **the 10E reports must include current and prior year expenditure data in Section V.** Enter YOA 1996 and 1997 in the YOA cells. Then enter the cumulative expenditures under each YOA. Note that if you do not have 1996 funding, then indicate "0" in the cumulative expenditures under 1996. Also, if 1996 is fully expended, please enter the total (full) expenditure under 1996. Both years need to be reflected in this section; otherwise, the State JTA system will not be able to process the report.

3. On the 12 and 12E, if a line item in a subgrant has been fully spent but the grant term is still active, the report may be marked FINAL by indicating "Y" in Section I, F. when submitting the report. In this manner, no report is due for this line item until closeout.

For line items for which funding has been received, but no expenditures have been incurred, SDAs are required to submit a zero report for the quarter. This ensures accountability for the quarter in the JTA database, and prevents hold table exceptions in the third quarter.

4. IPD: JTA users must execute the XIPD program to extract the IPD information to be transmitted to the State. The program must be run immediately after the PJ10, PJ10E, and PJ11 reports are run to ensure consistent participant information. The SDAs will receive a listing of SPIR errors if your April 24, 1998, IPD submission contains errors. If you need technical assistance on the IPD, please contact Janet Leong at (916) 654-9600.
5. **Please ensure that all entities involved in your local reporting process (including fiscal accounting and service providers) are aware of the third-quarter reporting deadlines for PY 1997-98.**

Acting Assistant Deputy Director
